# Garrison Mill Educational Foundation

The Garrison Mill Educational Foundation was established in 2007 as a non-profit organization that raises money for the purpose of improving our school by providing funding for programs such as technology, curriculum and facility improvements.

The Foundation is a 501 (c) (3) tax-exempt charitable organization and is incorporated as an educational non-profit foundation. This enables the Foundation to receive employer matching grants and apply for educational grant monies.

## How does GME Foundation raise money?

- Contributions to the Sponsorship Program in the form of tax-deductible individual donations, employee-matching grants, charitable organization grants and corporate donations.
- Boosterthon Fun Run
- Dunk Tank at the Fall Festival
- Annual Pancake Breakfast

## GME Foundation Accomplishments

- Funded 21<sup>st</sup> Century Classroom technologies to complete the equipping of homerooms at GM with interactive Promethean Boards.
- Funded 21<sup>st</sup> Century technologies to equip a second computer lab with hardware and educational software programs.
- Expanded After-school Enrichment program offerings.
